

Rocky Gap Activity Schedule 2010

Monday

10:00

Off Road Segway Tours

Join our trained guides for an exciting tour on a personal transporter! You'll complete a short off-road training program then step on board the "Segway X2" off-road glider and take off on the paths and into the woods for an exciting journey to remember.

\$50.00 Minimum 100 lbs – Maximum 250 lbs

10:30

Little Explorers

This is a special time for you younger guests ages 2-5 to explore nature. We will have story time, take a short hike and do a craft.

\$10.00

12:00

Flower Power Hummingbird Feeders

Help out the smallest of our fine feathered friends by making this working Hummingbird feeder. You can put it out in your yard when you get home so that you can watch these amazing birds.

\$10.00

12:00

Off Road Segway Tours

Join our trained guides for an exciting tour on a personal transporter! You'll complete a short off-road training program then step on board the "Segway X2" off-road glider and take off on the paths and into the woods for an exciting journey to remember.

\$50.00 Minimum 100 lbs – Maximum 250 lbs

12:00

Shoreline Critter Search

Explore the shoreline with our staff using seining nets, dip nets and collection buckets to see what lives in the water and along the shore of Lake Habeeb. Once we have identified everything we release it back in its habitat.

\$15.00

3:00

Leaf Press Journals

Design and decorate your own leaf press journal. This will be a keepsake that you will really enjoy.
